Jordan Tower I Renovation Project

Contractors visited the building on February 25. If they are interested in bidding on the project, they must submit their proposals by March 18. After that, we will review all submissions carefully and then recommend the best option to the HRA Board for approval.

We anticipate beginning to schedule resident meetings in May to share updates and answer any questions you may have. We look forward to connecting with you! We'll make sure to keep you updated as things progress. Thanks for your patience while we work on improving everything!
