Purpose. The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services. Applicability. The Form HUD-50075-SM is to be completed annually by **Small PHAs**. PHAs that meet the definition of a Standard PHA, Troubled PHA, High Performer PHA, HCV-Only PHA, or Qualified PHA do not need to submit this form. The Red Wing HRA is considering offering project based vouchers for upcoming affordable housing opportunities.

PHA Deconcentration Policy

If subject to deconcentration requirements, the PHA will consider its deconcentration goals when transfer units are offered. When feasible, families above the Established Income Range will be offered a unit in a development that is below the Established Income Range, and vice versa, to achieve the PHA's deconcentration goals. A deconcentration offer will be considered a "bonus" offer; that is, if a resident refuses a deconcentration offer, the resident will receive one additional transfer offer.

(c) If using Project-Based Vouchers, provide the projected number of project-based units, general locations, and describe how project-basing would be consistent with the PHA Plan.

The HRA would offer 20 vouchers for new construction of affordable housing units. This would help provide more affordable housing units in our community.

(d) The PHA must submit its Deconcentration Policy for Field Office Review.
